MOTION BY SUPERVISOR DON KNABE

February 17, 2004

On Wednesday, February 11, 2004, the bodies of Lamar and Ernestine Matthews, both 75, were found dead in their two-story home in Cerritos. They were the victims of a brutal stabbing.

It is vitally important for the County of Los Angeles to join with the City of Cerritos and others in sending a message that we, as a society, will do whatever it takes to apprehend criminals who commit such heinous crimes.

In order to bring the perpetrator(s) to justice, I believe we should match the City of Cerritos, who has offered a \$10,000 reward for information leading to the arrest and conviction of the person(s) responsible. By working together, we can send a message that crimes, such as these, will not be tolerated in our society.

I, THEREFORE, MOVE that we offer a \$10,000 dollar reward for information leading to the arrest and conviction of the perpetrator(s) of this heinous crime.
